Hello Dear TLC Families,

Our first Sunday of classes started with great excitement. We have added another Sunday school class by splitting the Prek thru 5th graders into 2 classes. We now have a Prek-1st class and a 2nd –5th grade class. We have begun a Youth Bible Fellowship class for the current confirmation students and youth falling in the 6th –12th grades.

We have been blessed with willing teachers to lead the children of Trinity in their walk with the Lord during our Christian education hour on Sunday mornings. Mrs. Tara Robinson is working with the TLC Youth. I have the 2nd –5th graders and we have a team of teachers sharing the duties for the Prek-1st grade class.

The schedule for most Sunday mornings begins at 10am with a worship time in the main classroom consisting of music and a brief introduction to the day's theme. The classes go to their perspective classes following the worship time.

Some Sundays we will gather all the children and youth together for a craft day. We all meet for an extended worship time and story presentation followed by the craft time held in the enclosed patio. This is a time to give the teachers a breather and a time for all the children and youth to connect in fellowship.

On most holiday weekends we will suspend classes enabling the families to plan family time together.

Attached is a schedule of the Sundays events to better assist the families in planning weekend activities. We pray that the children and youth grow in their person walk with the Lord and in their relationship with the TLC Family.

May the Lord bless you as you move through this exciting season of events!

In Christ's Love,
Bobbi Smith
