

LWML

Lutheran Women's Missionary League

This has been a great year for Trinity LWML. We've had some wonderful speakers and fun get-togethers and look forward to more in the fall. Great bunch of gals at Trinity! We hope to see some of you next year who may have not yet attended so we can get better acquainted with you and add you to our roster.

Several of us took the trip to Tempe for the PSW District Convention. This only happens every two years but with covid we haven't had one in four years! Everyone was excited to see old friends from previous years. This was my first convention and I thought it was a rousing success. We had wonderful speakers and so many booths showcasing all that the Lutheran Church has to offer. I personally was amazed at all the services and programs provided by the church. One great thing that happened was that all of the grants that were up for a vote received their grant money ~ all 17 of them! We were going to be voting for 8 but there was money in the budget for all of them so that was wonderful news. Amazingly these are all funded by our mites. Those pennies add up!

We are off during July and August and our meetings will begin again on Sept 8 at 10:30am in The Fellowship Center. As always we will have a speaker (to be announced) and lunch so please plan on joining us for another great year doing God's work.

An ongoing project that we have that involves the whole congregation is collecting paper towel rolls and unsoiled empty egg cartons. These will go to Lutheran Braille Workers in Yucaipa to use as packing material for the Bibles they send out. You can bring either cardboard or styrofoam egg cartons but no plastic ones. Thank you all for your incredible generosity. Every time we ask you guys just give!!

See you in September!

**Kris Chamberlain
LWML Vice President**

TLC Quilters Tuesdays @ 10am

The ladies of the TLC Quilting group will continue throughout the summer in the Fellowship Center. They can always use more hands! Such a great way to spend your Tuesday mornings! No experience necessary.

If you have any questions please notify
