### Our Mites at Work

Mites given with thankful, joy filled hearts for a love offering DO help bring the Gospel message to those who have not heard. Our giving is patterned after the widow, “who gave all she had.” Mark 12:44.

A single Mite box does not hold a great amount of money. Sometimes, it rattles with just a few coins. Yet those coins, combined with thousands of other coins, yields close to three million dollars a biennium.

LWML National has announced that the 2017-2018 Mission Grants of \$2,075,000. HAS BEEN PAID IN FULL. That, members of the congregation are our MITES at work!
